TRAIL MAINTENANCE TRAINING WEEKEND / JUNE 10–11

HARRIMAN STATE PARK, NY

OPEN TO ALL

If you've ever wanted to try your hand at trail work, or if you want to improve your trail knowledge and skills, this is the perfect opportunity. Experienced AMC trail crew instructors will conduct a full weekend combining instruction with hands-on work on the trail.

COURSE

WHAT IS A SUSTAINABLE TRAIL

Construction techniques used to alleviate maintenance burdens.

TRAIL STRUCTURES

What to build where and why?

TOOL SAFETY & MAINTENANCE

Keeping tools in good working order helps prevent accidents.

The vast majority of the weekend will be spent in the field doing trail work, rain or shine. Please come prepared to work outside. Accommodations will be in one of the camp's newly renovated lodges. Arrive Saturday by 9:30 a.m. and stay until Sunday afternoon.

COST

\$50 for AMC members, \$60 for non-members. Enter your AMC membership number in the "promotion code" box for discount. Included: 1 night's lodging, Saturday dinner, Sunday breakfast, and Sunday trail lunch. Bring your own lunch for Saturday (refrigerator space available) or order lunches at The Stephen & Betsy Corman AMC Harriman Outdoor Center.
